## CRIMINAL CASES TRIED THIS WEEK IN DISTRICT COURT

The January term of district court entered into its second week Monday with the beginning of trial of criminal cases on the docket. Last Thursday the Grand Jury entered six indictments. Four of the cases were tried this week, one is being heard as we go to press and the remaining case is scheduled to follow. They are as follows:

The State of Texas vs. Will Wingate, assault with intent to murder. An application for continuance was overruled. The defendant pled guilty to the offense of aggravated assault and the State's attorney agreed to accept the plea and waive felony charge. The defendant was judged guilty of aggravated assault and punishment was assessed at a fine of \$100.00 and costs. The defendant was granted time until June 22 to pay his fine and the costs.

The State of Texas vs. Oswald Sauer, assault with intent to murder. Defendant pled not guilty. The jury found him guilty of aggravated assault and punishment was assessed at a fine of \$25.00 and costs.

The State of Texas vs. H. B. Stiles, assault with intent to murder. The defendant waived a jury and pled guilty. The defendant was judged guilty and punishment assessed at 3 years in the penitentiary. Sentence was suspended and the defendant released on his personal recognizance in the sum of \$500.

The State of Texas vs. Ernest Sadler, assault with intent to murder. Application for continuance was overruled. On Wednesday, Jan. 28, the jury was selected and sworn in. Testimony of witnesses was still under way at time of going to press.

State of Texas vs. Cecilio Rodriguez, forgery. Defendant waived jury and pled guilty. The defendant was judged guilty and punishment assessed at 5 years in the penitentiary. Sentence was suspended and the defendant was released on his personal recognizance in the sum of \$500.

The State of Texas vs. Lewis Franklin Sadler, assault with intent to murder.

Several civil cases were heard since our last report:

Ruth Graham vs. Eugene Graham, divorce. Plaintiff granted a divorce and custody of child. Defendant ordered to contribute \$15.00 per month to support of child.

Hugo Ludwig et al vs. Charles W. Ludwig, et al, suit for partition. Continued to await report of receiver.

Fred F. Fleming vs. Almira Fleming, divorce. Dismissed at cost of plaintiff.

Theresa Keller vs. W. H. H. Davis et al, trespass to try title. H. E. Haass was appointed to represent defendants. Judgment for plaintiff for title and possession of lands. Costs against plaintiff.

T. J. Sanders vs. Rosa Sanders, divorce. H. E. Haass appointed to represent defendant. Judgment for plaintiff for divorce. Costs against plaintiff.

L. J. Crutchfield vs. The Texas Company, damages. Agreed judgment of dismissal as per decree.

The following persons have been summoned to serve as Petit Jurors for the third week of the present term of court: Alton Seekatz, Mico; A. A. Mann, Devine; Frank Muenink, Hondo; Alfred Stein, Castroville; F. E. Langford, Devine; Ed Faseler, Yancey; Woodrow Glascock, D'Hanis; R. E. Wentz, Hondo; Lucian Ward, Yancey; W. A. ## HONDO H. D. CLUB MEETS

The Hondo H. D. Club met at the home of Mrs. A. H. Schweers. Miss Hambleton explained to members that "one-half to one acre planted to a variety of fruits chosen to ripen in succession will supply a family of six with fresh fruit in season and surplus to dry, can, preserve and pickle for the winter pantry in most parts of Texas. On this basis fruit growing is as remunerative as life itself, for without fruit in diet there can be no health." After the meeting Mrs. Schweers served doughnuts and coffee.

## MEDINA COUNTY'S DEFENSE BOND AND STAMP QUOTA FOR 1942 SET AT \$420,400

Medina County's quota for Defense Bond and Stamp sales has been set at \$420,400 for 1942, according to J. G. Barry, chairman of the Medina County Defense Bond Sales Committee. Immediately upon being advised of the county quota, the County Committee met in Hondo and laid plans for enlisting the aid of the entire citizenry of the county. The following steps were agreed upon:

1. All churches in the county will be asked to announce to their congregations the quota for the county, and to request the members of their congregations to cooperate.

2. All Medina County citizens will be asked to buy their bonds in the county so that this county will get credit on its quota. Several citizens of this county have accounts in San Antonio banks, and may make their bond purchases there.

3. Community meetings will be held at dates to be announced later, to urge the citizens to invest in bonds, and to impress upon them that the bonds are INVESTMENTS, and may be cashed upon proper notification; that the time to purchase bonds is NOW, and that the appeal is to rich and poor alike.

4. Employers are to be asked to give their employees an opportunity to adopt the salary allotment plan for the purchase of bonds and stamps.

Attending the county meeting at Hondo were A. G. Ilse and F. H. Wills from D'Hanis, August Schott from Castroville, J. W. Hill from Yancey, A. R. Pointer from Devine, Julius Wurzbach from Rio Medina, and J. G. Barry from Hondo. It was announced that Medina County purchased \$126,669 worth of Defense Bonds during 1941.

## OUR RISING SUN

## FIRST ANNUAL FAT STOCK SHOW TO BE HELD

A large attendance is expected for the first annual Medina County Boys Fat Stock and Poultry Show, next Friday and Saturday, February 6th and 7th, in Hondo. In addition to the exhibitors, who are boys engaged in F. F. A. Chapter and 4-H Club agricultural and livestock projects, and officials, many visitors are expected. The show is being sponsored by the Medina County Chambers of Commerce.

The show is to be held on the Nester property south of the Colonial Theatre building. The show animals must be in their stalls by Thursday night, February 5th. Final entries were made Tuesday, January 27th, and include 91 calves, 21 sheep, 21 hogs and 12 poultry exhibits. No goats have been entered.

The show offers the boys a local medium or exposition where they may enter their fat livestock in the competitive judging and for cash prizes and ribbons. At a meeting of committeemen Wednesday night the amount of the premiums was raised, running from \$1 to \$7.00 instead of \$1.00 to \$5.00 as first announced. The boys will also receive further financial return for their efforts from a public auction sale to be held on the second day. The livestock will be paraded in an arena at that time. The services of an auctioneer from Beeville have been secured.

Judges will include Mr. Fitzhugh, County Agent of Bexar County, and Mr. Schlemmer, County Agent of Bandera County.

## REGISTRATION, FEBRUARY 16 1942

"The third registration under the Selective Training and Service Act of 1940, as amended, will be held February 16, 1942, and will include all men who have attained their twentieth birthday on or before December 31, 1941, and have not attained their forty-fifth birthday on February 16, 1942, and who have not heretofore been registered."

Registration places for Medina County will be: Office of Local Board, Hondo, Texas; and at regular polling places at: Quihi, Dunlay, Rio Medina, Castroville, D'Hanis, Natalia, Yancey, Biry, LaCoste, Upper Hondo, West Devine, Mico.

Those required to register will be permitted to register at one of the designated places most convenient to him, not necessarily at the usual polling place for the vicinity in which he lives.

EARL STARNES, Chairman,  
Medina County Local Board,  
Hondo, Texas.

## LIONS CLUB MEETS

The Lions Club met at their regular Luncheon Wednesday noon, and had as their guest, Lion J. O. Tilley, former secretary of the Medina Valley Lions Club.

Visitors were W. F. Gaudian, Chester Heyen, and Bru Miller. Plans were started to attend a zone meeting at Uvalde on March 7th where it is expected Lions from 9 nations will be in attendance.

The club voted to back the Penny-for-a-plane program and W. L. Windrow was named chairman. The Lions Club will also collect old license plates and James R. Duncan was appointed chairman of the campaign. Harry E. Filleman gave a report on the Red Cross war relief campaign.

## WOMAN'S SOCIETY MEETS

The Woman's Society of Christian Service met in the home of Mrs. Barnitz Carle on January 21st with 18 members present. One new member was added to the list.

Mrs. S. O. Woolls was assisted in the discussion of the topic, "The Service of Stewardship," by Mrs. T. C. Barnes, Mrs. J. A. Horger and Mrs. R. F. Davis, which proved most interesting.

A social hour was enjoyed during which lovely refreshments were served.

## RECEIVES ARMY PROMOTION

Of interest to his many friends here is the news of Hilmer Haegelin's recent promotion from captain to major of the Infantry, United States Army. He was called to active duty in June, 1941; took the course for officers that is offered by the Infantry School at Fort Benning, Georgia; and has remained there on duty with the Infantry School Service Command. He received his majority on December 29, 1941.

Major Haegelin is the oldest son of Mr. and Mrs. A. L. Haegelin of Hondo.

## FIRE DESTROYS BARN

A large barn and its contents, belonging to Alfred A. Bader, were destroyed by fire about eight o'clock Sunday night, January 25, on the old John Frerichs' place on Smith lane. The Hondo Volunteer Fire Department was called but the flames were too far advanced for the efforts of the fire fighters to have a telling effect. The building was covered by insurance but its contents, a large amount of corn and about fourteen tons of hay, were a total loss. A flock of chickens was saved.

## THE LOW DOWN FROM HICKORY GROVE

This clamping down on tires and new cars, where you can't get a new one unless it is for military or defense use, is not going to work out so bad. It will maybe even work out good around some firesides. I got in mind the cars you see parked at the night clubs, and at the afternoon bridge clubs, etc. If the U. S. would take over these cars and tires it would equip a moose of an army.

With no afternoon bridge, many tired papas would get a break too, and not have to wait around for mama—who has been nibbling cake all afternoon—who thinks a couple sardines should be okay for dinner for the old head of the house. And look at the tin we would save if we got more cornbread and pot-roast versus tidbits from a tin can.

And the younger squirts—19 and under—keep them home too, and save more rubber. They are not going any place. They are just ridin'. We gotta win this war.

Yours with the low down,

JOE SERRA.

## PUBLIC WASTE MUST BE STOPPED

The most telling criticism of the newly proposed Federal budget deals with projected expenditures for non-war activities. The budget calls for a cut of about \$1,000,000,000 a year in this direction. Many economists and high government officials are convinced that a reduction of at least double this amount can be made.

The taxpayers are being called upon to accept a financial burden unparalleled in our history. Last year's record-breaking income tax bill is supposed to produce an increase in tax revenue of some \$3,500,000,000 a year. This year, plans call for another bill to produce around \$9,000,000,000 additional. Every possible source of revenue will be tapped to the limit. With such a staggering sum to be raised for the nation's protection and survival, every conscientious citizen should protest the spending of a solitary tax nickel for any non-defense purpose which can be eliminated or deferred.

We are still spending hundreds of millions each year for "relief" at a time when the national income, because of the war boom, is at record levels, and an acute labor shortage is imminent. We are spending more millions for a long list of "social" projects which divert money and energies from the grim job of winning the greatest war history has known. Throughout the country waste of public funds continues.

Congress must learn that the era of "spending as usual" must come to an end.—Industrial News Review.

## NOTICE TO FEDERAL INCOME TAXPAYERS

For the convenience of those who are required by law to file Federal Income Tax Returns, a Deputy Collector of Internal Revenue will be at the County Court House, Hondo, Texas, February 24, 1942, to assist taxpayers in preparing their returns. No charge will be made for this service. The matter of filing your Income Tax Return should be given immediate attention, in order to avoid penalty and interest.

## WARNING TO MOTOR VEHICLE OWNERS

Owners of motor vehicles are hereby notified that they must have Certificates of Title before they can register their car or truck. Registration comes up in March, so get your Certificate of Title at once.

JAMES R. DUNCAN,  
Tax Collector-Assessor  
Medina County, Texas.

## TO FARMERS

We are offering for planting purposes the nice wheat-land millo, raised on our farm at the Hondo bridge, for \$2.00 per cwt. Even weight sacks; you return sacks or pay for sacks. John H. Wiemers and Sons, Hondo, Texas. 2tpd.

## JONELL GAINES COMPLETED

Miss Jonell Gaines, who left this week for California where she will become the bride of Bertram Eckhart, was complimented with a pretty shower and tea from three until five o'clock Friday afternoon, January 23, at the country home of Mrs. F. L. McWilliams. Hostesses were Mrs. C. C. Tondre, Mrs. G. C. Windrow, Mrs. W. C. Scott, Mrs. Jesse Applewhite, Mrs. Buddy Hubbell, Mrs. H. J. McFar, Mrs. W. L. Taylor, Mrs. R. L. Kollman, Mrs. Tommy Hoog, Mrs. W. C. Stanford, Mrs. F. L. McWilliams, Miss Frances Woolls and Miss Dolly Taylor.

Beautiful in its simplicity was the adornment of the reception suite. In the living room, white and pastel pottery bowls held white calla lilies and white tube roses, while on the wide mantel a bowl of yellow dwarf chrysanthemums was reflected in a large mirror. A cozy log fire burned in the fireplace.

Mrs. W. L. Taylor, in blue taffeta trimmed with sequins and a corsage of white chrysanthemums, greeted the guests at the door. In the receiving line were Mrs. McWilliams, the honoree and her mother, Mrs. R. W. Gaines, and her fiancée's mother, Mrs. Leroy Eckhart.

Mrs. McWilliams wore a rose moire taffeta jacket dress and white flowers as a corsage. Miss Gaines' dainty frock was of pale pink net over taffeta trimmed at the sweetheart neckline with pink and blue lover's knots and tied with a sash of the ribbons extending in long streamers to the bottom of the full skirt in front. Her flowers were also white. Mrs. Gaines, in yellow chiffon, wore a corsage of pale pink gladioluses. Mrs. Eckhart's gown was white embroidered crepe and her corsage of white blossoms.

The bride's book of white satin and lace was heart-shaped. Miss Patsy Lou Kollman was in charge.

The tea table, laid with a lace cloth, further carried out the sweetheart theme, having as a centerpiece a heart-shaped mound of tiny white chrysanthemums and lighted with tall white tapers. An arrangement of the white blossoms and candles graced the buffet. Refreshments of cake frosted with white flowers, salted nuts, tea and coffee were served. Mrs. Jesse Applewhite and Mrs. C. C. Tondre presided over the tea table the first hour, and Miss Frances Woolls and Miss Mary Elizabeth Meyer served the second hour.

A delightful musicale was presented during the tea hours, by Rosemary Finger, Ruth and Anna Lee Rucker, Nellie Mae Scott, William Horace Holloway, Henry Martin Figger and Mrs. V. H. Boon.

Assisting the hostesses were Misses Dolores and Vernice Taylor, Dorothy Ann and Arlah Eckhart. A number of guests came from San Antonio and Sabin.

## PARENTS ANNOUNCE ENGAGEMENT

## VANCE-SANTLEBEN NUPTIALS

The marriage of Miss Josephine Santleben of LaCoste and Albert Vance of Devine was solemnized at 7:30 p. m. Tuesday, January 27, 1942, in the rectory of St. Peter's Prince of Apostles church, Alamo Heights, in San Antonio. Rev. Harold Ehlinger, formerly of Devine, officiated at the single-ring ceremony. Attendants were Miss Stolte and Joe Vance, brother of the bridegroom.

The bride wore an olive green dress, made peplum style, brown accessories and a corsage of deep pink roses. Miss Stolte wore a gold dress and brown accessories.

Following the ceremony, Mr. and Mrs. Frank X. Vance of Hondo and Major and Mrs. Albert Lobitz of San Antonio entertained with an informal supper at the home of the latter in Alamo Heights for the bridal party and close friends. Those who attended were Mr. and Mrs. Albert Vance, Mr. and Mrs. Joe Vance, and Miss Gertrude Vance of Devine, Miss Stolte and Alvin Santleben, brother of the bride, of LaCoste, Rev. Harold Ehlinger, Mrs. Frank Schadt and Miss Paul Schadt, of San Antonio, Mr. and Mrs. Frank X. Vance of Hondo, and Major and Mrs. Albert Lobitz.

The bride is the daughter of Mr. and Mrs. Wm. Santleben of LaCoste and a graduate of the LaCoste High School. Mr. Vance is the youngest son of Mrs. Constance Vance of Devine. He graduated from Devine High School and attended St. Edward's University and Texas A. and I. at Kingsville. He was formerly superintendent of Castroville High School but now is employed in government defense work at Duncan Field. Mr. and Mrs. Vance are making their home at Devine.

## HOME DEMONSTRATION WORK EXPANDS

In the home of Mrs. George Koch several women of the Leinweber Community gathered, January 23, 1942, to hear Miss Velma Hambleton, Home Demonstration Agent, explain her work. After hearing Miss Hambleton's explanations and asking questions the group decided to organize the ninth demonstration club in the county.

The following officers were elected:

Mrs. A. C. Gilliam—President. Mrs. H. A. Saathoff—Vice-President.

Mrs. Milton Leinweber—Secretary-Treasurer.

Mrs. George Koch—Council Delegate.

The organization voted to meet in the homes of its members every first and third Thursday of each month.

The meeting adjourned after the hostess served a tasty refreshment plate.

## LACOSTE H. D. CLUB

LaCoste H. D. Club met Wednesday afternoon, January 21 at the home of Miss Florentina Bohl.

Fourteen members and Miss Hambleton attended. Mrs. Frances Wurzbach, a new member, was admitted into the club.

Miss Hambleton gave an interesting talk on "Selection of Suitable Orchard Site."

A very delicious lunch was served. The next meeting will be at the home of Mrs. Louisa Hitzfelder on February 17.

## DAILY LIVESTOCK MARKET REPORT

Monday, January 26, 1942

San Antonio Jan. 26.—HOGS, Estimated salable and total receipts 1,000. The week's initial session in the hog division found prices listed mostly 25c higher than last week Friday although some late deals looked only steady. The day's top rested at \$11.25 and was paid for good and choice 180-270 lb. butchers. Occasional closing sales in these weights had to go at \$11.00. Similar grade 160-180 lbs. cashed at \$10.75-11.25. Most sows brought \$10.00-10.25. Feeder pigs ranged from \$9.50-9.75.

CATTLE: Estimated salable and total receipts 1,100; CALVES 2,300. Slaughter steer and yearling sales Monday were slow in developing and prices carried a weaker tone. Common and medium selections turned at \$8.00-10.00. About three loads straight grass steers made \$9.75. A 34 head string medium and good 843 lb. short fed steer cashed at \$10.85.

Heifer cows continued to move to good advantage at fully steady rates. Common and medium beef kinds secured \$7.00-7.75 while good lots ranged from \$8.00-\$8.25 and odd head to \$8.50. Canners and cutters changed hands at \$5.00-6.75 with a few thin shelly canners down to \$4.50 or below. Bulls retained generally steady values as sausage kinds secured \$6.50-8.50 and odd head strongweight individuals up to \$8.75. Good slaughter calves ruled about steady while common and medium offerings showed a weak to 25c lower trend. Medium and good kinds turned at \$10.00-11.00 while common and medium moved at \$8.00-10.00.

Stocker calves maintained fully steady values as good and choice steer offerings earned \$10.00-11.50. Comparable grade heifers brought \$9.50-10.50. Odd sales stocker cows ranged up to \$8.00.

SHEEP: Estimated salable and total receipts 1,500. Trading in the sheep and goat division appeared generally steady. A deck good fall shorn slaughter lambs cashed at \$10.50 while a deck freshly clipped killer ewes made \$5.25. Just good fall shorn aged wethers earned \$6.25. Newly shorn goats brought \$4.50 with sorts down to \$3.50.

GLEN L. ELLISON, Local Representative.

## ATTENTION POULTRYMEN

Texas poultrymen are being called upon to produce 1514 more carloads of eggs in 1942 than were produced in 1941. To do this is going to require better management on the Texas poultry farm.

In order to reach the poultryman and get over the message of National Defense to them the poultry departments of Texas A. & M. have arranged a week's program from Station WTAW from 6:15 to 6:30 A. M. starting February 2 and running through February 7. The program is to be presented as follows:

February 2—Poultry's Part in National Defense.

February 3—Buying the Right Kind of Chicks.

February 4—Fundamentals of Successful Chick Brooding.

February 5—Feeding Baby Chicks

February 6—Reducing Chick Mortality.

February 7—The 1942 Poultry Defense Program.

These programs will show you just how important a part you have in this great National Defense program.

## CARD OF THANKS

We hereby thank the Hondo Volunteer Fire Department for prompt assistance and untiring efforts to save our property from destruction by fire. We sincerely appreciate the efficient service rendered.

Gratefully yours, Mr. and Mrs. Alfred A. Bader.

## CARD OF THANKS

By this means we wish to thank sincerely one and all for any kindness and words of sympathy in the death of our beloved husband and father. We especially thank those who extended spiritual and floral offerings.

Mrs. H. H. Crow and children.

Tickets can be obtained by writing Grace Lutheran Church in San Antonio or at the ticket office of the auditorium on the night of the concert.

## CLUB WOMAN HAS FRAME GARDEN

Mrs. Louis Oefinger, member of the Quiki Home Demonstration Club is doing her part in the Food-Freedom Campaign. She has her a frame garden in her yard, and has a year round supply of fresh vegetables. Let's hear Mrs. Oefinger's story in her own words—

"A Frame Garden is a kind of garden that defies dry or cold weather and makes fresh vegetables possible on farms where the standard type of garden is not always dependable."

"With this thought in mind and visions of a garden where I could gather fresh vegetables at almost anytime of the year I set about to make a frame garden."

"I bought 50 feet of 1 x 12 inch planks to make the side walls, 20 feet of hollow tile for sub-irrigation, and sixty lath strips for the cover."

My garden is about 20 feet long and 5 feet wide. The frame or walls, which consists of two, twenty foot 1 x 12 inch planks and two five foot 1 x 12 planks, were nailed together in much the same way as a cold frame. Through the middle about 12 inches beneath the soil I have the twenty feet of tile for irrigation.

"To break the direct rays of the sun, provide summer shade, permit free air circulation and cut the rate of moisture evaporation I covered the top with lath strips. Each strip is just the width of the garden (five feet), two inches wide and placed 2 inches apart. This cover is made in to four parts or lids so that they are easily lifted for gathering vegetables and cultivating the garden. The soil in my frame garden was fertilized with well rotted barnyard manure and spaded to about ten inches in depth."

"Time for planting a fall garden had passed before I got the garden finished, but in November I planted lettuce, spinach, beets, carrots, radishes and onions, spacing the rows about 8 or 10 inches apart. I have had lettuce and radishes to eat and in another week I will have spinach."

"My frame garden will be worth all the money and time I have spent on it for it will and is supplying fresh vegetables for my table the year round."

Conserved burlap sacks as a safeguard against a probable shortage of V. P. King, chairman, county USDA War Board, urged Medina county farmers this week.

Shipping between the United States and India, from which burlap is imported almost exclusively, has been reduced because of war in the Far East, the chairman pointed out.

"At the same time buying of burlap has been reduced, our uses have increased," Mr. King said. New uses include the packing of foods for the army and navy, certain chemicals, and other articles, as well as items for use under the Lend-Lease act.

Approximately 80 per cent of total burlap imports go into manufacture of bags and about three-fourths of burlap bags are used to package commodities which farmers buy and sell. About 459 million yards of burlap were used in sales or purchases by farmers during 1939-40, the chairman said.

To offset probable shortage of burlap, efforts are being made to expand production of coarse cotton fabrics as substitutes. Heavy demand for tents, uniforms and sandbags already have been placed on cotton fabric manufacturers and appreciable increases for other uses cannot be expected too quickly,

## FARMERS URGED TO SAVE TIRES

Medina county farmers believe  
 that prevention of tire trouble is as  
 important as its cure, according to  
 V. P. King, chairman, county USDA  
 War Board.

Farmers throughout the county  
 already are exerting caution to see  
 that foreign matter is kept from  
 treads, that tires are free of grease  
 and oil, rims straightened, stored  
 equipment is jacked up to relieve  
 pressure, tires are shadowed from  
 excess sunlight, and that cracked  
 tires are painted and plugged, the  
 board chairman said.

"Certificates for new tires may be  
 issued for tractors, farm implements,  
 and trucks used to haul farm prod-  
 ucts directly to market," Mr. King  
 said but explained they could not be  
 obtained for transporting farm prod-  
 ucts to ultimate customers. He also  
 added that tires could not be pur-  
 chased if the rationing board had  
 already issued certificates compris-  
 ing the monthly total.

"This simply means farmers will  
 have to wait their turn along with  
 everybody else," Mr. King said.

Recapping, retreading and vulcan-  
 izing tires on automobiles and farm  
 implements are other precautionary  
 measures farmers may follow in pre-  
 venting tire trouble. Since correct  
 air pressure adds to life-span of tires  
 for tractors and farm implements,  
 periodic checks for proper pressure  
 should be made, the chairman said.

 girl's empty conversation, what do  
 you do?

Keep us, O God, from pettiness, let us be large in thought, in  
 word, in deed. Let us be done with fault finding and leave off self  
 seeking. May we put away all pretense and meet each other face to  
 face, without self pity and without prejudice. May we be never  
 hasty in judgment and always generous. Let us take time for all  
 things; make us grow calm, serene, gentle. Teach us to put into  
 action our better impulses, straight forward and unafraid. Grant  
 that we may realize it is the little things that create differences, that  
 in the big things of life we are one and may we strive to touch and  
 to know the great common woman's heart of us all. And, oh, Lord  
 God, let us not forget to be kind.

## Washington Snapshots by JAMES PRESTON

The opinion is unanimous here that, throughout the war, the union cause will make gains.

From present indications, labor is asking a return for its all-out cooperation in war production. It seeks, as consideration to bind the bargain, a voice in management.

Industrialists and industry men in the OPM view this development with alarm. They feel that this country is today facing a labor problem of far greater significance than it did when it had defense strike after defense strike to contend with. The fight over giving labor a share in management is waged bitterly behind the scenes here.

Labor's demand stems back to last fall, when Philip Murray, president of the CIO, presented his "industry council plan."

The Murray plan contemplates the establishment of councils for every industry. These councils would be composed of an equal number of labor and management representatives with a chairman to represent the public appointed by the President. The industry would then be run from top to bottom by its council.

The Murray plan was widely criticized at the time of its proposal. It was pointed out by economists, both friendly and unfriendly to labor, that the management of an industrial enterprise requires a specialized type of skill. The fact that a man makes a good labor leader does not, of itself, qualify him to share in the direction of industry. There is, it was pointed out, no correlation between the two.

The public was let in on this controversy by press reports of the fight over the conversion of the automobile industry to armament production.

During the negotiations about the automobile industry, labor leaders consistently called for the adoption of the Reuther plan, which is an adaptation of the Murray plan to the automobile industry, worked out by one of Philip Murray's proteges.

Nor have CIO leaders been content merely to cheer while the automobile industry fight was on. They have plans already prepared for industry-labor committee operation of the steel industry, the aluminum industry and the copper and all other non-ferrous metal industries. All these plans provide that labor shall have an equal voice with management in the operation of the industry in question.

—WSS—  
The President's budget for the next fiscal year, like all governmental finances, at least since the defense effort began, cites figures which, to Mr. Average Citizen, are astronomical in size.

It was, therefore, with a sigh of relief that Congressmen received the translation of the President's production schedule into terms which they and their constituents can understand. It is felt here that the National Association of Manufact-

urers' picture of the proposed program in the practical terminology of labor supply, floor space and machinery is a comprehensive one.

To meet President Roosevelt's schedule of 125,000 planes by 1943, it will be necessary to turn out one plane every four minutes, the NAM has closed. In order to meet the President's estimate of production of 100,000 dead-weight tons of merchant shipping during 1942, it will be necessary to sustain a rate of approximately two ships a day, it was pointed out.

—WSS—  
Gordid shots: Not only is the radio industry giving full aid to Uncle Sam, but the support of amateur radio operators has also been enlisted. The FCC, at the request of the Defense Communications Board, ordered all amateur radio operators to stop sending. It is felt that cessation of amateur transmissions will give the FCC, the Army and other government agencies an opportunity to police the situation. The Government is aware that amateur operators are valuable in the war effort, and is working out plans for the use of "hams" in its wide program.

The nation's chickens and cows were the subject of spirited Congressional discussion. Action putting the hands of the clock forward an hour was taken in a bill enacting year-round daylight saving on a country-wide scale, for the duration of the war. The farm group was vociferous in voicing its objection to getting up an hour earlier, but rallied round when it was put to the actual test of voting.

Businessmen here are encouraged by the pledge of the Selective Service Director, Brig. Gen. Lewis B. Hershey, to consider the needs of industry in granting deferments to draftees.

## INFORMATION FOR REGISTRANTS

The third registration, which will be held on February 16th and will include all unregistered males who were born between February 17, 1897, and December 31, 1921, will be handled by the local boards and their assistants in most sections of the State, General J. Watt Page, State Selective Service Director, announced today.

General Page added, however, that additional assistance will be required in some of the more densely populated sections, and that such local boards are authorized to call for sufficient volunteer registrars to handle the registration. Volunteer registrars, he said, will serve without pay and will be required to attend instruction classes held by the local board several days prior to registration.

In the metropolitan areas of the State, a special registration place will be arranged for transients. In establishments of substantial size, registration booths will be provided to prevent loss of time from important tasks. In the port cities of Corpus Christi, Houston, Beaumont, Port Arthur, Orange, and Galveston special registration places will be set up at or near the docks so that seamen will not lose time in seeking a place to register.

"We are anxious that this wartime registration be conducted without interference with any production and these arrangements are intended for the benefit of the Nation as well as the worker," General Page said.

## FEDERAL INCOME TAX No. 4

To make it easier for taxpayers to meet the increased taxes required by the National Defense Program, the Treasury Department is offering for sale two series of notes, both dated August 1, 1941, and maturing August 1, 1943.

In January of each year two new series will be provided so that a taxpayer can always purchase notes during the entire year in which he is receiving his income for use in payment of taxes due the following year. The reason for the two-year note is to permit a taxpayer, if he so desires, to begin saving in January of one year and continue through that year to save for his taxes due the following year.

All notes are sold at par and accrued interest. When presented in payment of income taxes they will be received at par and accrued interest up to and including the month in which such taxes are paid. Interest will not accrue beyond the maturity of the notes. If not presented in payment of income taxes, they will be redeemed for cash under certain specified conditions at the purchase price paid for the notes. In other words, the taxpayer, if he redeems the notes for cash, gets back just the amount he paid.

Complete information about these Treasury notes, will be found in a Treasury Department Circular available at local banks, Federal Reserve Banks and branches, or Treasury Department, Washington, D. C.

Texas ranges and pastures continued in excellent condition and show the highest October 1 condition in 20 years of record. Reported condition of ranges on October 1 was 93 percent compared with 82 percent a year ago and 77 percent the 1931-40 October 1 average. Normally, all ranges improve 3 percent during September; this year the improvement was 2 percent. Prospects for fall and winter ranges are good and roughage and hay are abundant. Grain supplies are plentiful except in a few local areas in the eastern and south eastern part of the State. The Plains has produced one of the largest feed crops on record and generally more feed is available than livestock to utilize it. Stock water is abundant in all areas.

**H. H. CROW DIES SUDDENLY**

Death came suddenly to Henry H. Crow late Tuesday evening while seated at his desk in his home. He had been somewhat indisposed for two or three weeks, but his condition was not considered dangerous and he had been busy about the place all day. He had been at his desk entering the payments on the last Home Relief call when the mail was brought in. He stopped to read a letter and died with his open book in front of him. While few knew of his condition, he had been suffering for some six months from a weak heart. His sudden passing was a surprise and shock to the entire community.

Funeral services were held at the Horger Funeral Chapel at three o'clock Thursday afternoon, January 29, 1942, his pastor, Rev. Ira V. Garrison of the Hondo Baptist Church, conducting the same, assisted by Rev. R. F. Davis, pastor of the Hondo Methodist Church. Following the chapel service, the local lodge of Masons took charge of the service and interment was made according to the burial rites of that ancient order. His long-time friend and fraternal brother, W. N. Saathoff, was the acting Master of the lodge during these rites and his pallbearers were Howard Short, Felix Batot, F. D. Garrison, Henry Z. Windrow, Gus Rothe, and Ben Oefinger, all his lodge brethren. Burial was made in the Woodmen of the World section of Oakwood cemetery. The floral offerings were profuse and beautiful.

Henry Harrison Crow was born on December 22, 1870, at Shady Grove, Upsher County, Texas. He was, therefore, 71 years, one month and five days of age when the death summons came on January 27, 1942, having attained a little more than man's allotted three-score and ten years. He moved to Hondo in 1890 with his parents, Mr. and Mrs. W. L. Crow, and several brothers and sisters. He had since made Hondo his home and has, therefore, resided here for more than fifty years. Over this period of years, a period that extends back to the pioneer days of the town, he engaged actively in the various lines of farming, barbering, public weigher, assistant postmaster, etc. He was active in the organization, some 25 years ago, of the Medina County Home Relief Association, a local benevolent insurance organization, and during its entire existence has been a member of its Directorate and served as its Secretary and Treasurer. For many years, he has filled a similar position with the Woodmen of the World. He was an active Mason, having served the fraternity in various capacities of honor and trust. He has served his blue lodge in all the chairs, as a certificate teacher and as District Deputy-Grand Master. Likewise, he has served in all the various positions of the local Royal Arch Chapter. For a score or more years he has been an active worker in the church of his faith and a member of the local Baptist Church. In his business as in his fraternal and church work, he brought to endeavors an earnestness, a devotion and a persistence that made his efforts successful and endeared him in confidence and trust to his associates.

He was happily married to Miss Anna Merriman on April 18, 1890. God blessed this home with the gift of four fine children: W. T. Crow, V. H. Crow, and Mrs. Ruth Jennings of Hondo, and Mrs. Dee Shepherd of Corpus Christi. In addition to his faithful, devoted companion and four children, there survive him: his stepmother, Mrs. Arie Crow, of San Antonio; two brothers, Jim and V. A. Crow of Hondo; two sisters, Mrs. Sellie Taylor of Hondo and Mrs. Effie Price of San Antonio; two grandsons, John Henry Jennings of Baylor University, Waco, and John Wayne Shepherd of Corpus Christi; two granddaughters, Julia Mazelle and Ruth Ann Crow of Hondo; also a number of other relatives, and a great host of friends who will miss him greatly, and who join in offering this tribute of love and esteem to him.

**WAR RELIEF FUND GROWING SLOWLY**

Donations toward the Red Cross War Relief Fund to date fall far short of the \$2,000 quota needed. Since our last report, a total of \$836 has been contributed, reports Chairman Harry E. Filleman. Additional contributors this week are as follows:

**HEARS FROM BROTHER IN HONOLULU**

The first news from John Robert Wilson since the attack on Pearl Harbor on December 7, 1941, was received here by his brother, Homer Wilson, this week. The message was written on a postcard and was mailed in Honolulu on January 2, 1942. The letter follows:

Dear Homer:

Thought that I would write and say everything is OK as far as I am concerned.

Quite a bit of damage was done at Pearl Harbor (most of it can be repaired and put back in operation) and only a few fires here in Honolulu. Was quite a shock and I did not know what the Hell was going on for about half hour. Either an unexploded anti-air shell or small bomb dropped in Waikiki about 2 blocks from where I was having breakfast and then I decided that it was not maneuvers but the real thing.

I only actually saw 7 Jap planes and 2 explosions. Everyone here is very confident and not the least excited and business is being carried on in a normal way. Naturally the Government business is enlarging tremendously.

We are still 2000 miles (Wake Island) from any actual fighting so there is no immediate reason to get excited. I may get to take a crack at one of them someday yet. I hope my aim is as good as it used to be. If so I will send you his scalp.

Sincerely

JRW

**ARMY OFFICIALS CONTINUE INVESTIGATION HERE**

Investigation by army officials as to Hondo's facilities for establishment of an air training field was continued here this week. Further information regarding geographical and weather conditions was secured and officers consulted with County Judge Rothe and other county officers. Captain Hotchkiss of Randolph Field was interviewing real estate agents and others as to the housing situation in Hondo. If the field is located here, living quarters for several hundred officers and men and civilian workers and their families will have to be provided.

LOCAL, PERSONAL AND BUSINESS ITEMS FROM THIS BUSY BURG

ISABELL KARM, LOCAL REPRESENTATIVE

News and advertising copy for this column for the week's issue should be submitted to Miss Karm or mailed direct to us at Hondo not later than Tuesday night of each week. Miss Karm is authorized to collect and receipt for any business for this paper.

CASTROVILLE, TEXAS, TUESDAY, JANUARY 27, 1942

R. J. Schott, son of Mr. and Mrs. J. F. Schott, left Saturday morning for Ellington Field at Houston as an aviation cadet. He successfully passed his exams and took the oath the week before. His many friends wish him success.

Mr. and Mrs. August Schott, Jr., and sons were dinner guests of Mr. and Mrs. Leonard Brieden and family in San Antonio Sunday.

Mr. and Mrs. Aaron Bendele of Hondo were Sunday guests of her mother, Mrs. Louisa Haass.

## FAREWELL PARTY

R. J. Schott was honored with a surprise farewell dancing party last Wednesday evening at Wernette Garden. Hostesses were Misses Laura Mae Schott, Helen Tschirhart, and Isabel Karm and Kenneth Haas.

Punch, snacks, light and dark cake were the refreshments served. Miniature airplanes and candy hearts were given as plate favors. A patriotic motif was carried out.

About seventy-five guests attended.

## ANNIVERSARY SERVICES HELD AT ZION'S LUTHERAN CHURCH OF CASTROVILLE, TEXAS

On January 25th, 1942, the Zion's Lutheran congregation of Castroville, Texas, observed the 90th anniversary of its organization with special divine services. At 9:00 a. m. the Reverend M. A. Falkenberg of Corpus Christi, Texas, brother of the local pastor, and a descendant of the Rev. Chr. Oeffinger, the organizer of Zion's Lutheran congregation, addressed the Sunday School. In a few well chosen words he admonished the pupils to be co-laborers together with God. Among other things he mainly stressed: Although your deeds are small and seemingly insignificant in our eyes, the main thing that counts in the eyes of God is sincerity of heart and love for our Saviour's cause.

At 10:00 a. m. Rev. M. A. Falkenberg preached the anniversary sermon to an attentive congregation, among whom were many friends and former members of the congregation.

In the afternoon at 2:30 p. m. Rev. Paul Geiger of San Antonio, Texas, a son of Zion's Lutheran congregation, was the speaker. Both pastors had very impressive sermons. They brought home the fact to the congregation that they should be very thankful that God in His great love and mercy has permitted His holy word in its purity and doctrine to be proclaimed, and His holy sacraments to be administered these 90 long years. They also implied God to continue with the administration of His means of grace unto the end of the world. The Church Choir helped to beautify the services by rendering appropriate hymns for the occasion. All services were well attended and a nice thanks offering was lifted to help build God's holy kingdom here on earth.

The congregation and its pastor confesses: "All glory belongs to God alone." May the Lord be with us in future and help us daily to rededicate and re-consecrate ourselves to God, so that the work of the Lord may continue unhindered in our little community.

## ZION'S LUTHERAN CHURCH Sunday, Feb. 1, 1942

9:00 a. m. Sunday School and Bible classes; Marvin Koenig, Supt. There will be no divine service conducted in Zion's Lutheran church next Sunday morning since the pastor will fill the pulpit of St. Paul's Lutheran Church at Hondo, Texas. Please take notice.

How time flies! The first month of the New Year is almost gone never to return. Have we lived up to our resolution to worship and serve God more faithfully in the New Year? Let's not delay. Our Master is calling. Will you not heed His call? The church with a welcome.

A. H. FALKENBERG, Pastor.

toys, sport equipment, and the like. SOURCES OF RUBBER. In the past, all but about five per cent of our rubber has come from the Far East. The other main sources were synthetics and reclaimed rubber.

ALLOCATION OF RUBBER IN WARTIME. From the reserve stock on hand and from rubber derived synthetically, our Government has an adequate supply for military use. From now on, however, civilians must get along with 10,000 tons of rubber a month instead of the 47,000 tons they have been using. Most of this rubber allotted to civilian use will not be used for automobile tires. It will go into the more vital necessities.

A MERICAN RESOURCEFULNESS BEING SHOWN. The Department of Agriculture has approved the planting of 45,000 acres of the Mexican desert shrub called guayule (gwayool). An acre of guayule yields about two thousand pounds of rubber. Guayule rubber is softer than tree rubber and costs about twice as much. Growers must wait four years after planting before getting a crop. After each new crop, a complete replanting is necessary. Guayule rubber, however, can go into 80 per cent of rubber products and, if combined with reclaimed rubber, it can make tires that are almost as good as the regulation tires. Unlike synthetic rubber, guayule rubber requires no vital chemicals for its manufacture.

The 4,500 little shops in the United States which have specialized in the retreading business are now experiencing a great boom. Although retreading costs less than half the price of the tire, it almost doubles the life of the tire. However, the lack of machinery to equip new plants and the shortage of uncured rubber will probably prevent much expansion of retreading plants.

## SPORTS UNDERVALUED BY STUDENTS

Interest in sports here in Hondo High is much too periodic, what with enthusiasm climbing to a high level during certain seasons and dropping below an expected normal level in others. The difference in interest undoubtedly lies in the fact that some sports are not understood as well as the more popular ones.

With all the student body and most of the population of the surrounding territory knowing the rules and regulations and understanding the principles of the game of football, a great interest is shown and full support is given to the team each year. For the same reasons the boys like to take part in the game as a means of physical education training. Even the younger men around town like to pass the "pigskin"

around when given the chance.

But when basketball, baseball, or some of the many other sports are in season the situation changes. Very little interest is taken in them by any others than those who are members of the different teams. The team members compete in the respective sports because they fully understand the game and have developed an interest in it. Also, little support is given to members of the teams, and little interest is given towards them as part of the physical education program.

Of course, there are always those who like a rough game, not one of those "sissy" games. Little do they know of the ability to "take it" and the stamina necessary in sports other than their favorite game. All sports of this type are for developing a strong body, and therefore cannot be considered as games for sissies. So as the seasons for the different sports arrive, come out and give your support to our team in their respective games. You might not enjoy the game at first.

## GRAPE-VINE CIRCUIT

What certain sophomore looked rather enlightened when T. M. I. was mentioned by MR. BARRY?

From what we have heard, those love notes that students are supposed to eat instead of tearing up, do not taste as sweet as they sound!

In some cases it seems the FRESHMEN boys can pull the wool over the eyes of the SENIOR boys when it comes to girls! Eh, FLORY?

CLYDE SCHUEHLE just recently decided that there wasn't a girl in Hondo High School for him or rather in the High School department, so he has found one in the Grammar Grades.

Some of the students' mothers have a question in their mind when it comes to going to Quibi on Saturday nights? Isn't that right, "SIS?"

What was ANNA LEE RUCKER so excited about when she heard who SHIRLEY ULBRICH was going to ask to the H. E. Dance?

What Junior girl has a most contagious laugh that STANLEY HOLLIG referred to as "AN OPERA SINGER'S?"

Here's a bit you haven't heard: It could be that "an old flame never dies," but—"a new one burns brighter and is put out with difficulty!" For references, go to L. C. GILLIAM and "SIS" HOLLOWAY. MILTON RENKEN is kept rather busy delivering notes to COLLEEN O'NEILL, but of course, he isn't the author.

HONDO HIGH SCHOOL has a new student. His name is B. L. KOLLMAN. We sincerely hope that he will like it here.

FOR BOYS ONLY) Have you ever heard of the golden rule? DO UNTO OTHERS AS YOU WOULD HAVE THEM DO UNTO YOU. Of course, I wouldn't think of hinting, but when are the football jackets coming? (By special request from a FRESHMAN GIRL.)

Did you know that MISS NALLEY is engaged? Why not tell us who the lucky man is, MISS NALLEY? It must be catching; so is MISS WATSON.

## BASKETBALL SEASON IN FULL SWING

The Owls basketball season is in full swing now with the Owls having only two defeats on their list, both by Pearsall. However, the last defeat was rather—er, a screwy. The Owls have defeated the Utopia All-stars, LaCoste, Yancey and T. M. I. In the last game the Owls really had a scrap with the T. M. I. boys and at the end of the first half, the Owls were trailing by a score of 21 to 10. However, in the last half the boys came back strong and ended up in victory by the close score of 34 to 22. They are going to play Devine at the gymnasium Tuesday, Jan. 27. And from all reports it is going to be a good game. Let's all go out and support the Owls in all of their games and keep the school spirit flying high.

The Owls are supposed to go to T. M. I. at San Antonio Thursday for a return bout with the cadets. It is reported that the traveling squad will go to Eagle Pass for the District tournament on the 13th of February. Mr. Sadler said that only ten or eleven boys would be able to make the trip so you better hustle boys, and I mean hustle.

## F. H. T. NEWS

The F. H. T. project for the month of January was "sending a box of cookies to boys in the army."

Gracious and appreciative letters have been received from: Floyd Mechler, Jack Hartung, Lee Dell Williams, Tom Jones, Henry Schuehle, J. H. Rothe, Harry Freeman, and Fred Bader.

The candy pull registered for Friday, January 23, was postponed until Friday, January 30.

## FED UP

Wherever a small five-year-old lad goes, he is stopped by dear, elderly ladies who say, running a hand through his mass of curly hair, "Oh, what beautiful curls. Where did you get them?" For months the child made no reply whatsoever. He waited until his first dinner in a restaurant, when again a kind lady paused by his chair. "Oh, what lovely curls," she murmured, giving them a playful rumpling. "Where did you get them?" The child looked up and replied, "It's a toupee."—Chicago Tribune.

## SIMPLE TASK

Not being fit for military service, a little man tried for a job as a striker in a blacksmith shop.

After looking him over the smith picked up the biggest hammer and threw it out of the window, saying: "If you can do this you can start work."

The little man picked up the anvil and threw it after the hammer, saying: "O. K., are we working outside?"—Exchange.

## SUSPENSE BOTH WAYS

"Yes, my wife gets more out of a novel than anybody."

"How's that?"

"Well, she always starts in the middle, so she's not only wondering how it will end, but how it began."—Answers.

Teacher—What is etiquette, Jackie?

Jackie—Etiquette is the noise you don't make when you are eating soup.

George—Don't you believe that money talks?

Joe—Yes, but all mine ever says is "goodbye."

## FOOTBALL LETTERMEN RECEIVE AWARDS

The fourth annual football quiet honoring the D'Hanis Club was held in the High School auditorium on Wednesday evening, January 21.

The school colors, purple and gold, prevailed in the decorations of banquet hall, and pottery with gold was used to decorate the table. Individual place cards were in cactus motif, and souvenir booklets were blocked in a cactus design.

The welcome address was given by Superintendent S. H. Willis, who was toastmaster, and Louis Sch gave the response. Several members of the pep squad were present.

A group of songs, after which Joe Dubray gave a resume of the games played during the past season. L. Ann Muenink gave a solo dance. Mr. J. P. Ephraim, who the guest speaker, stressed present day need for men of character and courage, and showed football training might prepare to fill such a need. Coach F. L. Larson presented gold wool sweater with a purple "D" to eight lettermen as follows: Co-captains James W. and Lawrence Huser, Joseph Dub, Louis Schmidt, Fritz Ben, Jerome Zinsmeyer, Edward W. and, and Elton Rudinger. A sing award was presented the Cow manager, Myles Weyand. Mr. W made the presentation of a sweater to Coach Morrison. The school "For You, D'Hanis," and "God Bless America," were sung by the assembly as the concluding number.

The menu consisted of fruit cocktail, peach salad, baked chicken dressing, gravy, buttered peas, potatoes with marshmallows, rolls, devil's food squares, coffee.

The committee in charge of arrangements consisted of Mrs. H. man, Mrs. Ephraim and Mrs. J. Zinsmeyer; the decorating was under the direction of Mrs. W. and Miss Rothe; and Miss Larson was in charge of the program. Members of the pep squad served meal.

About ninety people attended banquet, which was open to the public. Among the guests were two captains of the Cowboys, Cal Bendele, 1939, and Robert Le 1940.

From The Owl:

## OPPORTUNITY TO WIN FOUR YEARS OF COLLEGE GIVEN

The Pan-American Union of Washington, D. C. is offering to the students of high school grades throughout the country a grand opportunity to win four years of college education through the writing of one theme. The subject is "What Inter-American Cooperation Means to My Country." It cannot contain more than 700 words, and the closing date for the contest is April 14, 1942. All students of high school grades are eligible and the writer of the best paper will win a four year University Scholarship valued at about \$6,000 providing tuition, travel and all reasonable expenses at any college or university in the Western Hemisphere. At least two years must be spent at a Latin American university or college.

The state awards are: first, fifty dollars and certificate of award. Second, twenty-five dollars and certificate of award and third, silver medal.

Rules: Use only one side of the paper. The papers may be typewritten or written with pen and ink. Each manuscript must bear the name, school and home address of the writer in the upper left-hand corner of the page, and the name of the school principal also should be given.

The Pan-American Union is the international organization maintained by the 21 American republics for the development of good understanding, friendly intercourse, and commerce and peace among them. It is controlled by a Governing Board composed of the Secretary of State of the United States and the Ambassadors and Ministers who represent the other Republics in Washington.

All communication and correspondence concerning the writing of this paper should be addressed to Pan-American Union, Inter-American Forum, Washington, D. C. Any students who are gifted along this line are urged to participate!

## RUBBER IS IN THE NEWS

RUBBER CONSUMPTION IN PEACE TIME. In normal times, Americans use over 600,000 tons of rubber each year. About 75 per cent of this rubber goes for tires. The other 25 per cent is used for machinery, fire hose, conveyor belts, surgeon's gloves, protective clothing,
